

ADVENTURE SAFARIS

Russ McGlenn Class Registration Form Sept. 2018 MN

There will be 3 days of classes at the house I am staying at.

Creation Science Series Year 4 out of 6 Years of Lessons

Bio-geology. God's Love and Mercy in the Geological Record

What is Bio-geology? Bio means life and these lessons will show how life on earth was affected by the geological formations created by Noah's Flood. Earthquakes, storms, tsunamis and tornados all started as a result of the Flood. We do not want to only learn a list of rock names and attributes. We also want to show that each rock is a miniature history book of God's involvement in the world we live in. All 16 Power Point lessons will be transferred to your **flash drive/thumb drive** the day of the class.

LOCATION: First week classes meet at Brooklyn Center at the Korkki's house where I stay

Address: 6937 Willow Lane, Brooklyn Center, 55430

Second week class meeting place to be found yet. Please pray for a location

TIME: 10:00 AM to 2:30 PM ½ hour lunch break - bring sack lunch

AGE: All ages welcome younger (mature 7 yr. olds) may need a parent to stay with them

In Him, Russ and Amy

***IMPORTANT:**

Jana cannot host the classes.

Please Pray for her and her families health issues.

If anyone else can head up notifying and organizing people to come I need your help. You can get the e mail list from her or me.

If you can host it at your house or a church that is a big need.

***ANOTHER NEED**

We will need a car when we get there.

If someone can lend us one or provide a dollar gift for it that would help greatly.

Last year it cost \$450 to rent one.

We are not raising our tuition.

If anyone feels led to give a tax-deductible gift towards costs we would appreciate it.

***GIFTS**

If you want to make a tax deductible donation to help in our ministry, make it to TCCSA and send to: TCCSA
