

Adventure Safaris Dinosaur Warehouse

Ministry Update Dinosaur Warehouse

Where do we live? Old Orcutt, CA right next to Santa Maria. One hour drive north of Reaganville i.e. Santa Barbara.

Amy Pei Li Christian business woman, entrepreneur.

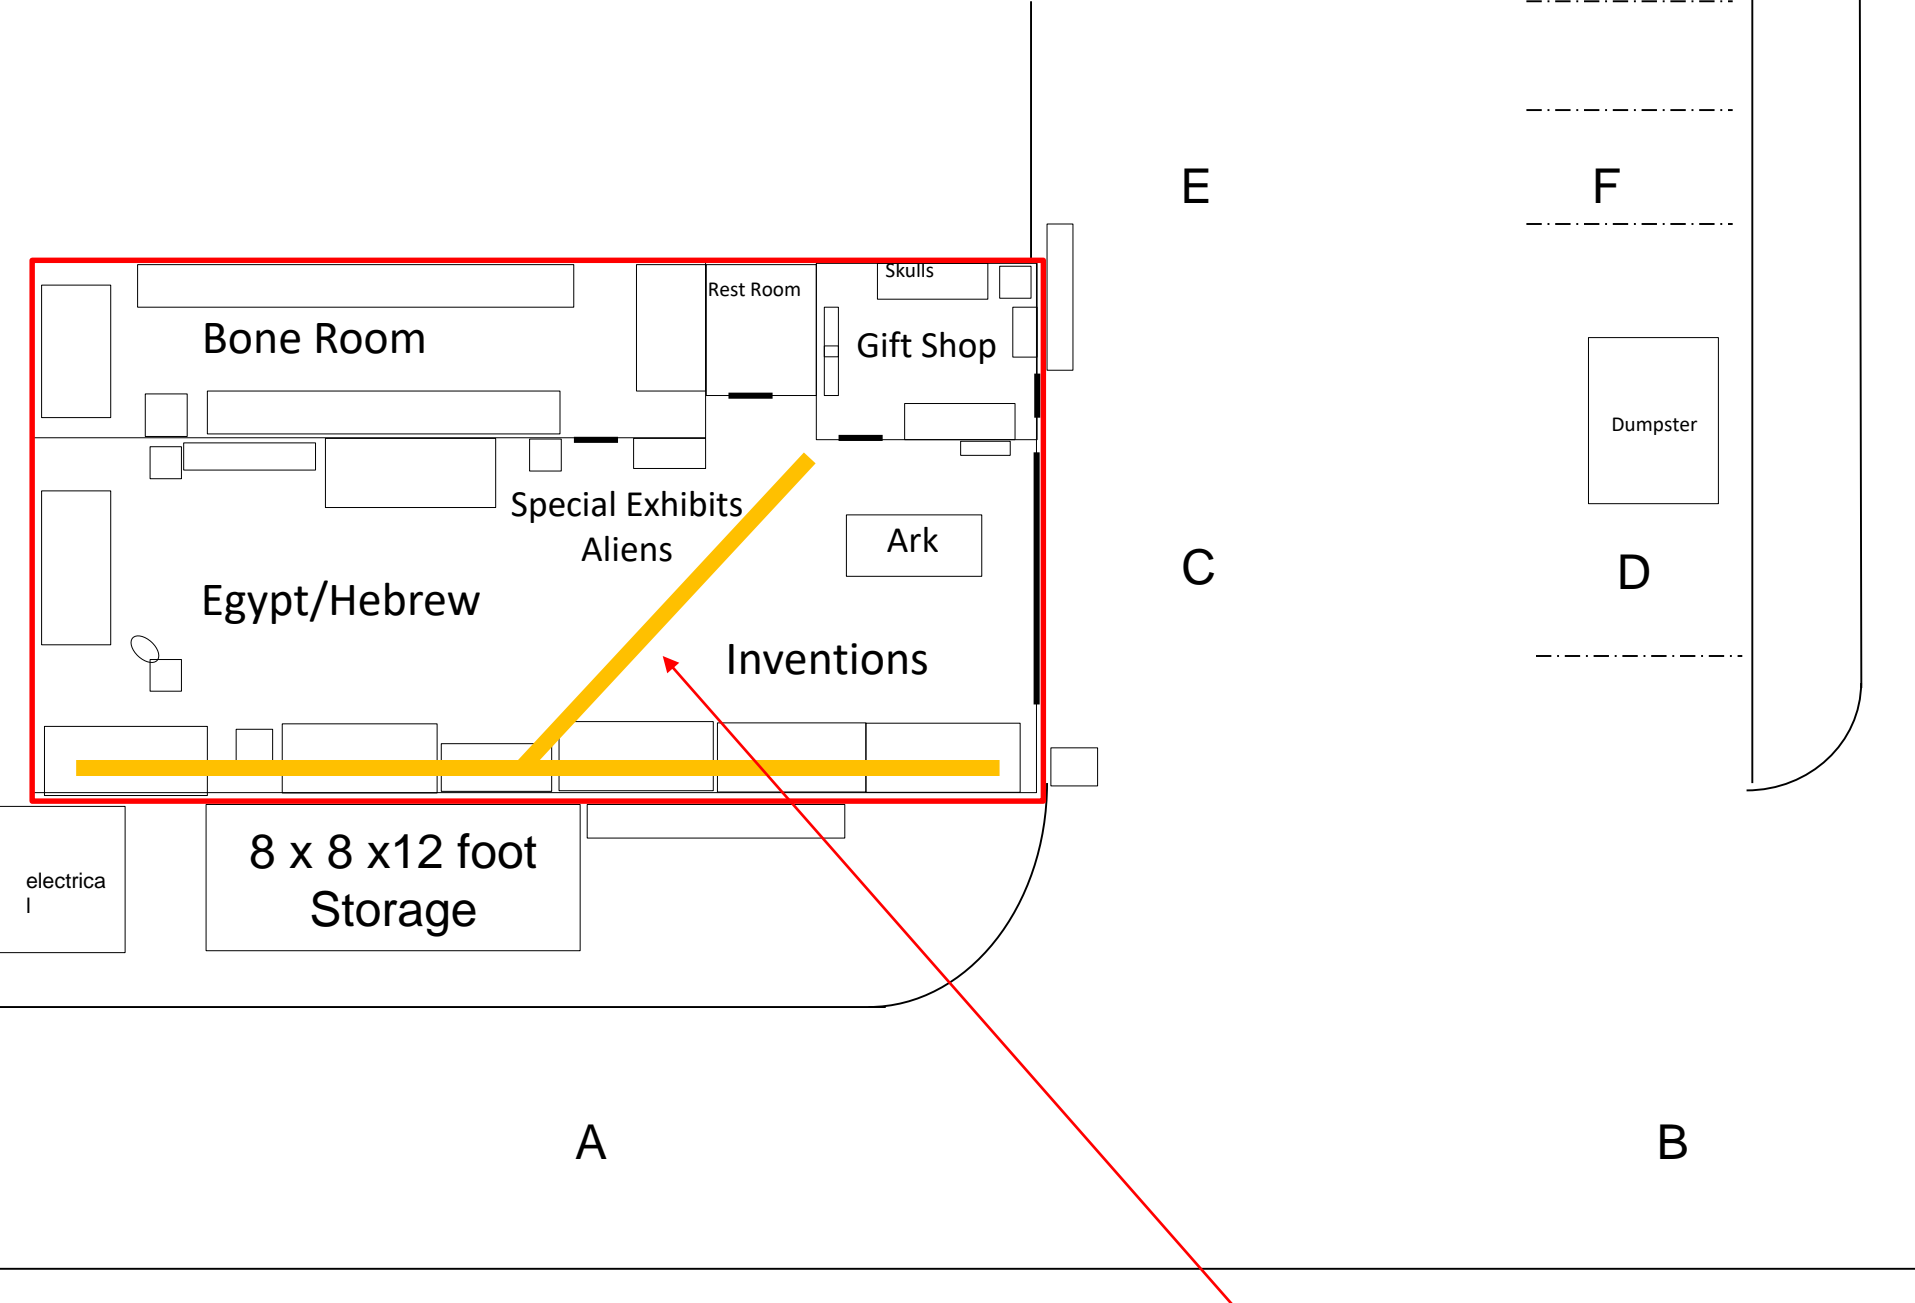

I can seat 40 people now in the main room.

A long row of red curtains with a subtle diamond pattern hangs from a rack in a room. To the left is a white door, and to the right is a wooden cabinet. The floor is concrete.

Makeover with red curtains.

The Pterodactyl is 20 feet to the tip of the beak and 40 foot wingspan. The museum is 45 feet long so it just fits.

Museum 25 x 45... Pterodactyl...

**Invention Workshop and Egypt/Hebrew displays.
Looking toward the garage door. Noah's Ark on the left.**

Some of the first visitors after the makeover.

Wall Omni theater... Storage up stairs...

Bone Room.

New glass display cases...

15 kids in the room

Kids get hands on teaching and handle the bones.

Teaching Teachers from Monterey.

Way Cool!

Dino Dig for Christian School from Monterey...

**This is better
than Disney
Land!**

8 x 30 foot floor puzzle.

**Stop by for
Coffee.**

Gift Shop Makeover.

Sr church group for Aliens program, coffee and pastries.

Homeschoolers. Faith from Hong Kong whose parents want us to come and teach in China.

Storage behind Museum. If you can't build it from pallets it can't be built!

Cost: \$108 for plywood. 15 hours to build.
