

The Adventure Safaris Pathfinder's Series Part 1 - CA

This will be a class for older or advanced students who want to learn how to do research, prepare Power Point programs and learn critical thinking in order to defend the Faith.

Mr. McGlenn (At right hunting fossils at Kadoka, SD) has been leading Adventure Safaris for 24 years and teaching for 40 years. He wants to impart his knowledge of how to research and teach to the next generation so they can find their path through the maze of anti God evolutionary, humanism.

We will meet for two, 5 hour days separated by a week. Bring a sack lunch as there will be a half hour for lunch. Students learn fundamentals on the first day. They receive a homework assignment that they will work on in order to present a 15 minute Power Point program a week later on day two. We will do a gentle critic of the program giving the student input on what worked well or where there needs improvement.

Russ has been teaching for 40 years and was asked by one of the moms, "How are you passing on your ideas, knowledge and message. Do you have some one you are training?" I said I was thinking of a class where I would do just that. She and several others said they would like their students to take the class. Thank you parents and students for inspiring me to make this available. Pathfinders Part 2 will be offered in the Spring.

At right is Russ' dinosaur warehouse. He will use pictures of the exhibits to illustrate how to do the Power Point lessons.

COST - \$35 per day for a total of \$70. (\$7.00 per hour) Space is limited to 10 students. Siblings may share a lap top and do a Power Point program together or separately. Parents may come and stay the whole time free to assist younger students.

TIME – 10AM to 3PM

LOCATION – Adventure Safaris Learning Center/ Museum

REQUIRED -Notebook and pen/pencil

THUMB DRIVE/Flash Stick for Syllabus and Lessons

LAPTOP COMPUTER with Power Point, a flash stick for the lesson transfer and a Wifi internet connection for research.

A willing heart to learn. Sign up in class, write or call.
