June 2015

Vol. 41, No. 6

## Astronomy and Mars: A Creation Perspective

Tuesday, June 16, 7:30, Nazareth Hall Chapel, Univ. of Northwestern, 3003 N Snelling, Roseville

The heavens declare the glory of God yet there seems to be a lot of confusion within the secular world. How are we to understand the purpose of the stars? Is what we are being taught about vast distances and star formation even true? Does astronomy really show an old universe? How did the water evidence on Mars get there? Is there life on Mars? Should we really be sending people to colonize Mars? Will it work? These and more questions will be answered as we take a look at the Biblical perspective of science and astronomy.

Brian Young is always a favorite with kids of all ages. Last year he blew apart a pop can by shooting it with a ping pong ball. What will he do this year? Come and find out.

All Meetings are free and open to the public, an offering will be accepted.

Have you considered...

...Did dinosaurs make sounds? In Micah 1:8 it states, "Therefore I (Micah) will **wail and howl**, I will go stripped and naked: I will make a **wailing** like the **dragons (tannim)**, and mourning as the owls." The word dinosaur was not invented until 1841; in the past the people used the word dragon (tannim) to describe dinosaurs. Tannim or tanniyn (dragon) is used some 25 times in Scripture. The prophet Micah said he would "wail and howl...like a dragon (tannim in Hebrew). So to Micah's readers they were aware of this type of sad, wailing, howling sounds coming from certain dinosaurs. Did some dinosaurs make sounds? Yes!

...stop and consider God's wonders. Job 37:14

### Coming Up . . .

July 21—TBD

August—No meeting, no newsletter

Sept. 15—Russ McGlenn

Oct. 20—Dr. Carl Baugh

Nov. 17—Dr. Randy Guliuzza From ICR

Dec.—No meeting or newsletter

Check for updates at [www.tccsa.tc](http://www.tccsa.tc)

### E-mail Newsletters

Postage rates continue to increase and returned newsletters now cost us \$1.21 for return postage. Some don't have email so we want to continue to offer these paper newsletters. If you have email, please consider going to the email version. You will receive your newsletter sooner and we include links to other activities you may be interested in. We remind you a few days before the meeting with location updates. Thanks

### Got plans?

Have you made plans for vacation this summer? Do you know of museums and other attractions near you with a Creation theme?

Well, Creation Today has done something about it. They have compiled a list of places that are available around the world as well as our own back yards. You can check it out at [VisitCreation.org](http://VisitCreation.org) If you know of a place they missed, let them know on their web site.

Also check out [www.tccsa.tc/notices/free\\_stuff\\_kids.pdf](http://www.tccsa.tc/notices/free_stuff_kids.pdf)

**TCCSA's STATEMENT OF BELIEF**

We believe in God: The Father, Son and Holy Spirit. We believe that the Bible is the inspired Word of God, and that all of its assertions are historically and scientifically true in the original autographs; this means that the account of origins in Genesis is a factual presentation of actual historical truths. We believe that the origin of matter and all basic types of living things, including man, came about through direct creative acts of God during the six-day creation week described in Genesis. Whatever biological changes have occurred since the creation week have accomplished only changes within the created kinds. We believe that the great flood described in Genesis, commonly referred to as the Noachian Flood, was an historic event, world-wide in extent and effect. We accept the account of the special creation of Adam and Eve as the first man and woman. Their subsequent fall into sin, by disobedience of God's direct command, is the basis for our belief in the necessity of a Savior for all mankind. Therefore, we believe that Jesus Christ is our Lord and only Savior and that personal faith in Him is necessary for salvation.
