

## Children and Youth Topics:

- What is the scientific evidence behind creation - evolution and how does it affect our lives?
- A world-wide flood? What's the evidence?
- Noah's Ark - was it even possible?
- Where did "races" come from?
- Dinosaurs - when and what happened?
- Ice Age and Mammoths

**Many displays and hands-on activities brought in for Discovery Week**

**Don't Forget Your  
Camera & Binoculars!**

*Note:*

*Bring your hiking shoes for our fossil hunt.*

## Our Philosophy:

*We believe that God created the heavens and the earth in 6 days. We also believe that His invisible qualities- His eternal power and Divine nature- have been clearly seen, being understood from what He has made.*

*(Romans 1:20)*

**See these truths in the real world at  
Discovery Week.**

## Our Keynote Speaker:

Bob Gillespie from

### *Answers in Genesis*

Bob and his wife Lois have taught in Christian schools and served on the missions field as educators to missionary children. Since returning home they have been involved with training the next generation of leaders through Worldview Discipleship Ministries and currently with *Answers in Genesis*.

Bob will be leading our evening sessions as well as the morning adult sessions.

#### Bob Gillespie's Adult Topics:

- Is Darwin's Evolutionary model a fact, a viable theory or a worldview in Crisis?
- Does Evolutionary theory explain the true history of the world? Part 1: Creation to the tower of Babel. Part 2: From Christ to the present.
- Is the book of Genesis from the Bible a collection of mythical stories and unreliable as history?
- Why aren't dinosaurs mentioned in the Bible?
- Can we reach a post-modern culture through Creation Evangelism?
- How is the evolutionary worldview changing our culture? How can we cultivate a Biblical Worldview?

*Educational materials from AIG will be available*
