

10/18 - 10/24/2010

Creation Scientists & former college instructors, Dave & Mary Jo Nutting, speak this week. Please seriously consider attending, you may never get another opportunity to hear creation science perspective on so many interesting topics. Coca cola & The University Student Services Grant Initiatives helped fund these speakers. Campus seminars are as follows...

WEDNESDAY - Campus Bible Study: **Nuttings Open Discussion, Q&A**, 12:20pm - 1:10pm, Room 319 (3rd floor) Coffman Union;

Church meeting: **"Fossils & Cavemen"**, 7 - 9pm, [Campus House](#) at 315 10th Ave S.E. 55414 Dinkytown

THURSDAY - Discovering Christianity Group Study (ISO): **"Creation View of Geology"**, 7pm, Campus House (location above)

FRIDAY 10/22 - **Seminar III: "Dinosaurs & Fuzzy Feathers"**, 7pm, Smith Hall Room 231

SATURDAY - Church meeting: **"What About Theistic Evolution? & What Do You Do if You Don't Have the Answer?"**, 7pm, Campus House (location above)
