### CAMPUS...

MONDAY - 10/17

#### Best Proofs of Evolution Fail

Think evolution is proven? Think again. Biological and fossil textbook "evidences" for Darwin's theory crumble!

TUESDAY - 10/18

## Time, Chance & Accident, or Grand Design?

Which theory best fits the facts? Belief in evolution takes a lot of faith!

THURSDAY - 10/20

#### How old is the earth?

Have we confused facts with assumptions? How evidence of a worldwide flood changes our view of geology and earth history.

## CHURCH...

315 10th Ave SE, Minneapolis...
7 PM Praise and Worship, 8PM Presentation

WEDNESDAY - 10/19

"Can You Really Believe the Bible?"

Evidences that reinforce Scripture.

SATURDAY - 10/22

### "Great Day to be a Bible Believing Creationist!"

Mounting facts that point to Young Earth Creationism.
