America: Home of the Free, the Proud, and the Brave.
Is it also the home of the Godly?

America has more:

Bible colleges and seminaries

Christian books, tapes, and videos

Christian bookstores and radio stations

Churches and denominations

Evangelistic outreaches

Than any other country on earth.

Yet we are on the verge of legitimizing homosexual "marriage"; we cannot mention Jesus in public schools (except as a curse word); and every reminder of our Christian foundation is systematically being removed from public view. Why is our culture increasingly rejecting it's Christian foundation? What caused the Christian Church to lose its moral authority? How can we make Jesus more relevant in today's technology-driven world? What can the Church do to restore America's moral compass?

Bruce Malone's book, *By His Word* (which will be on sale at the meeting) is a wake up call to America's churches. If we continue down the path we are following the open persecution of Biblical Christianity is just around the next dark corner.
