Dr. Michael Wise

“The Dead Sea Scrolls”

Northwestern College

3003 North Snelling, Roseville Minnesota, Nazareth Hall Chapel

For Details Directions & Maps visit www.tccsa.tc

The Science Museum of Minnesota will be exhibiting
The Dead Sea Scrolls beginning March 12, 2010. See www.smm.org

Dr. Wise is one of the foremost young scholars on the Dead Sea Scrolls and the lead translator of *The Dead Sea Scrolls: A New Translation*. The publisher says:

“*The Dead Sea Scrolls: A New Translation* is a landmark work that brings to life the long-inaccessible ancient scrolls of Qumran. Three distinguished translators at the forefront of modern scrolls scholarship reveal the rich tapestry of writings known as the Dead Sea Scrolls. This is the most comprehensive translation ever compiled for the general reader in any language.

Translated into modern-day English by Michael Wise, Martin Abegg, Jr., and Edward Cook, this book contains virtually every legible portion of the fragmented scrolls, including revelatory information on early Christianity and its roots far deeper than previously realized in ancient Judaism. Included as well are scroll fragments that promise to dramatically alter our view of biblical history, including never-before released texts and newly discovered writings by and about key biblical prophets and ancestors. The translators provide illuminating commentary throughout that place the scrolls in their true historical context. They also present a compelling, insightful introduction that gives the reader an overview of the often surprising contents of the scrolls and discusses what are perhaps the greatest mysteries of the scrolls — who authored them and why.”
