John Nuckols

“Honey Bees”

At Northwestern College,

3003 North Snelling, Roseville Minnesota, Nazareth Hall Chapel

For Details Directions & Maps visit www.tccsa.tc

The amazing honeybees get more amazing all the time. They give directions by dancing and exchange chemical messages. Could their complex behavior, metabolism and social structure be the result of mutations and natural selection? Don't count on it.

Sponsored by the Twin Cities Creation Science Association

Free and Open To The Public
