**“Creation  
Apologetics:**

**Making It More  
Effective”**

Many of us are fairly familiar with the main creation apologetic arguments, but our discussions with skeptics are not always as effective as they could and should be. In this presentation, I will share a few powerful concepts I learned in my 39 years of experience in interacting with various people and groups. It's sure to greatly help refine your conversations and make them much more compelling.
