## "Science and the Age of the Earth"

University of Northwestern - St. Paul, 3003 North Snelling, Roseville, MN,

**ROOM CHANGE: NAZARETH HALL CHAPEL**

This presentation will review the origin of the idea of millions of years and the methodology of Carbon-14 dating. Several other scientific findings that pertain to the age of the earth as well as some startling results will be discussed.

Helmut Welke – Helmut is a recently retired engineering manager for a Fortune 200 company. He holds BS & MS degrees from the University of Illinois (Urbana) and was recognized as a 'Fellow' by his engineering society. He is also the founder and president of the Quad-City Creation Science Association, a member of the Creation Research Society and a speaker for Logos Research Associates.
