# Giving From an IRA

Are you age 72 or over? Do you have an IRA?

You can give to charity directly from the IRA.

It will not count as income (which might put you in a higher tax bracket) although it is then not tax deductible.

## CREATION BASICS & BEYOND

Written by 10 Scientists at the Institute for Creation Research

# Can You Be a Point Person?

Many Christians shy away from the issue of creation vs. evolution. Why? Because they think creation is either not important, not credible, or divisive.

# Is It Important?

Regular TCCSA attenders know that creation is actually far more credible than evolution and is more important to the gospel than most realize.

# Why Is It Important?

Believing that God used evolution or took millions of years makes Him either clumsy, cruel, or indifferent and makes the Bible unreliable from the beginning.

# What Is Involved?

But the issue is also not one of pure intellectual discussion. There are psychological and spiritual barriers to even considering the evidence. To be a point person requires humility, prayer, love, and persistence.

# Invite Your Friends

- Christians and non-Christians
- Pastors and professors
- Students and retired people
- Skeptics and apologists

The personal invitation is most effective.
