Resources

A pair of black-rimmed glasses with a patterned temple rests on an open book. The book's pages are filled with text, though it is out of focus. In the background, another book is visible, also out of focus. The entire scene is set against a dark, semi-transparent overlay that serves as a background for the text.

Giving From an IRA

Are you age 72 or over? Do you have an IRA?

You can give to charity directly from the IRA.

It will not count as income (which might put you in a higher tax bracket) although it is then not tax deductible.

THE CONFUSION OF WALTON'S VIEW OF GENESIS ONE
WITH MICHAEL DRAKE

Tuesday, January 20, 2026, at 7:00

Framing Genesis one in concepts from the ANE world that refutes, John Walton has created a "Lost World" in which Creator, Genesis and truth are lost in a chaotic void of space. Michael Drake will explain how the text of Genesis one, the God of the Bible and the creation account it gives, are distinctly different from Walton's "Lost World" and its ANE mythologies.

CREATION BASICS & BEYOND

Written by 10 Scientists at the Institute for Creation Research

Can You Be a Point Person?

Many Christians shy away from the issue of creation vs. evolution. Why? Because they think creation is either not important, not credible, or divisive.

Is It Important?

Regular TCCSA attenders know that creation is actually far more credible than evolution and is more important to the gospel than most realize.

Why Is It Important?

Believing that God used evolution or took millions of years makes Him either clumsy, cruel, or indifferent and makes the Bible unreliable from the beginning.

What Is Involved?

But the issue is also not one of pure intellectual discussion. There are psychological and spiritual barriers to even considering the evidence. To be a point person requires humility, prayer, love, and persistence.
